

BE INNOVATIVE! JOIN NUKEM!

NUKEM Technologies is active worldwide in the fields of radioactive waste and hazardous waste management, dismantling of nuclear facilities, engineering technology and consulting. For more than 60 years, we have been making an important contribution to environmental protection with customised products, technologies and services - also for future generations.

Senior Process Engineer (m/w/d/x)

 63791 Karlstein am Main

 Full-time employee

 Professional/Experienced

 unlimited

 As of now

 2

Your tasks

- Process engineering of radioactive waste treatment facilities, from design to manufacturing
- Supervise interfaces between different work areas and systems
- Provide support for technical procurement
- Provide support during plant installation and commissioning
- Product responsibility in the field of radioactive waste incineration / solidification and nuclear plant construction
- Product innovation and new product development to improve the NUKEM product range and to support our sales team during bidding processes
- Development of internal standards

Your profile

- Engineer, bachelor's or master's degree (process engineering, mechanical engineering specializing in process engineering or similar, with relevant work experience)
- At least 5 years work experience in engineering, production or special machinery
- Experience in incineration technologies or exhaust gas treatment technologies, and in chemical or thermal process engineering would be an asset
- Experience with CAE software, e.g. COMOS
- Very good German and English skills (CEF C1/C2)
- Willing to travel

What You Can Expect From Us

At NUKEM, you'll find a vibrant and dynamic work environment within an international setting. Join us in working on challenging projects that open up opportunities for business travel worldwide. Here's what we offer:

- **Modern Workspace and Equipment:** Work in a contemporary office with views of Lake Gustavsee, outfitted with cutting-edge IT systems and ergonomic, height-adjustable desks. Choose your preferred workspace each day—from private offices to project rooms or collaborative open-plan areas—using our convenient room booking system.

- **Extensive Industry Expertise:** Benefit from more than 60 years of experience in nuclear technology, international customers and colleagues.
- **Diversity and Multicultural Environment:** At NUKEM, we speak 15 different languages. We offer free in-house English language training available both in-person and online.
- **Strong Team Culture:** Enjoy a supportive and inclusive team atmosphere, enhanced by regular employee events, a spirit of collaboration, flat hierarchies, and an open feedback culture.
- **Flexible Working Arrangements:** Benefit from flexible hours and a flexitime account, along with the option to work remotely up to three days a week within Germany. For those who need it, we can also explore options for mobile work abroad.
- **Professional Development:** Invest in your growth with access to internal and external training programs, including lectures from our own NUKEM Academy and a variety of e-learning options on our digital learning platform.
- **Competitive Salary:** In addition to a market-aligned monthly compensation package, we offer annual Christmas pay, performance-based bonuses, a company pension scheme, capital-forming benefits, and allowances.
- **Additional Perks:** Enjoy a range of benefits, including employee discounts, an onsite canteen with subsidized meals, free parking, complimentary coffee and water, and more.
- **Relocation Support:** We'll support your transition to Germany, providing assistance with work permits, residence titles, health insurance, and relocation logistics.
