Your tasks

- Review and assessment of documentation for the final disposal of radioactive waste products and packages intended for the Konrad repository
- Preparation of inspection reports in German
- Quality control of inspection reports
- Compliance with applicable legal regulations and the requirements set by relevant supervisory, expert, and licensing authorities, as well as all relevant standards, guidelines, and other regulations, and the procedural and project instructions for project execution (e.g., Engineering Handbook)
- Management of project-related data and relevant technical knowledge
- Coordination with colleagues, authorities, and submitters regarding the documentation to be reviewed
- Participation in specialized training events
- Independent processing of work assignments within the specified timeframe and deadlines in accordance with the applicable work instructions for each assignment
- Handling of changes (e.g., project change notifications) in accordance with project execution and quality assurance rules as outlined in the project management and quality management manuals
- Preparation of presentations for work meetings, contributions to conferences, etc.

Your profile

- Completed university degree in a scientific or engineering field
- Experience in the above-mentioned area preferred
- Knowledge in nuclear technology/radiation protection is an advantage
- Ability to work in a team
- Proficiency in German (C1) required
- Willingness to travel required

What You Can Expect From Us

At NUKEM, you'll find a vibrant and dynamic work environment within an international setting. Join us in working on challenging projects that open up opportunities for business

travel worldwide. Here's what we offer:

- **Modern Workspace and Equipment:** Work in a contemporary office with views of Lake Gustavsee, outfitted with cutting-edge IT systems and ergonomic, height-adjustable desks. Choose your preferred workspace each day—from private offices to project rooms or collaborative open-plan areas—using our convenient room booking system.
- **Extensive Industry Expertise:** Benefit from more than 60 years of experience in nuclear technology, international customers and colleagues.
- **Diversity and Multicultural Environment:** At NUKEM, we speak 15 different languages. We offer free in-house English language training available both in-person and online.
- **Strong Team Culture:** Enjoy a supportive and inclusive team atmosphere, enhanced by regular employee events, a spirit of collaboration, flat hierarchies, and an open feedback culture.
- **Flexible Working Arrangements:** Benefit from flexible hours and a flexitime account, along with the option to work remotely up to three days a week within Germany. For those who need it, we can also explore options for mobile work abroad.
- **Professional Development:** Invest in your growth with access to internal and external training programs, including lectures from our own NUKEM Academy and a variety of e-learning options on our digital learning platform.
- **Competitive Salary:** In addition to a market-aligned monthly compensation package, we offer annual Christmas pay, performance-based bonuses, a company pension scheme, capital-forming benefits, and allowances.
- **Additional Perks:** Enjoy a range of benefits, including employee discounts, an onsite canteen with subsidized meals, free parking, complimentary coffee and water, and more.
- **Relocation Support:** We'll support your transition to Germany, providing assistance with work permits, residence titles, health insurance, and relocation logistics.
